## Win a Rider's Diary!

The 'Rider's Diary' Binder is a 90 page log book with diary entries to record horse riding lessons; horses training; diet; hoof care; veterinary records and Pony Club competitions.

**"Having a log book when I was young was so much fun. Drawing pictures of horses, writing poems and of course recording my riding lessons was important to me and greatly encouraged at Pony Club."**

The 'Rider's Diary' Binder is A5 in size and comes with 90 pages already in it. Once these pages have been filled you can purchase 20 page refill packets and tailor your binder to suit the discipline you compete in the most. The Binder is not dated as a year diary but each page has a date on it to record details as you need to. It has 2 clear pockets at the back to keep your Pony Club card, Arm Band and Pony Club certificates.
